

Thought of the Week

Idea Board

AFRAID TO STEP UP AND SPEAK?
HAVE SOMEONE IN MIND YOU THINK CAN DO IT?

Introducing...the Nomination System!!

- A box could be put up opposite from the Dunman Board with cards and a list of topics
- Students will be able to vote for the person they would like to nominate, the topic and words of encouragement

Hopefully those who receive the cards will feel confident to step up to the podium and share the thoughts they might have :)

DO YOU HAVE A TOPIC YOU WANT TO HEAR MORE ABOUT?

Well...here's your chance!!

You can indicate the topic you are interested in through...

- A Google Form
- Through the same box as the first suggestion

D.HYPE can also be used for polling, where the student body can vote for their preferred topic

Hopefully you guys will be able to gain more insights on your topic of interest :)
