Passionate

And most importantly,

**Candidate
No.
DH62!!**

I'm Suhaina, and I'm running for Student Council this year because I want to make a difference in Dunman High! I think what sets me apart is my ability to communicate effectively with basically anyone, and I'm a people-oriented person too. I thrive off of feedback because I believe it is essential to self-improvement and I never cut corners in my work. I love experiencing new things and I like sharing my experiences too!!
