Always striving to be

WHY RUN FOR SC?

A way for me to serve the school and
give back to the school

To care, by spreading love and
positivity, to serve, by planning
initiatives and to lead, by working with
others to deliver the best we can

I love challenges as I believe that they
are what makes me grow and become a
better leader

Joining SC would allow me to garner
the needed skills for me to become a
better leader and to serve our school
better
