HELLO! I'M NATALIE FROM 5C43. I'M FROM AIR WEAPONS (SHOOTING)

Being a people-oriented person, I enjoy connecting with people, fostering new relationships and strengthening existing ones. I enjoy inviting friends over for gatherings, baking for them, listening to friends worries etc.

**I am #theonlynetworkyouneed to connect you to the school**

### ONE CHANGE I WOULD LIKE TO MAKE

I would like to partner with my peers and help boost the school spirit and morale as a whole, such that when we leave DHS we will feel that sense of longing. I hope that upon graduation, we will not only fondly miss our friends but would also always remember our Alma Mater.
