SAME!!!! I was only awake during...what lesson did I have today...?

I need orientation for transition :"(

MISS THE ORIENTATION HYPE?

DON'T KNOW WHAT TO EXPECT FOR THE COMING SCHOOL YEAR?

MY **YEAR2,4,6S** AND **YEAR2,4,6 TO-BE**:

WHAT YOU NEED IS AN ORIENTATION

What to expect?

All the Yr2, 4 and 6s will have class orientation on the first 2 days of term 1. SC will issue the timetable for each level. The time slots can be designated for

- **Class activities**
(games, sharing sessions)
- **Introduction of new teachers***
(if applicable)
- **Senior talk ***
(seniors coming to class to share)

To catch up with one another and enhance class bonding

To know new teachers personally, paving the way for more effective class interaction

To have a brief idea about what to expect in the coming year and learn from seniors' experiences, so as to get better prepared

As SC members would be busy with orientation matters of other levels, each class will have full control to organise their own class activities.

*: SC needs to arrange
