

DH19 LIEW YEE TIN IDEA BOARD

1. D.HYPE

Idea

Have short, funny comic strips on d.hype stories!

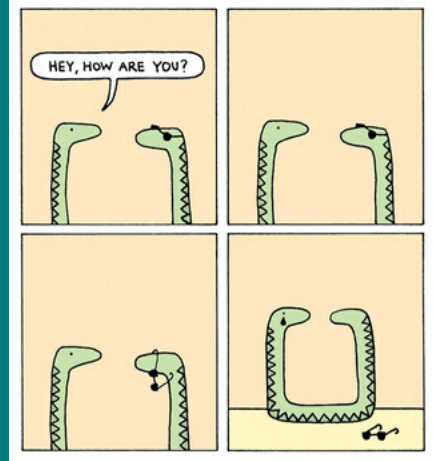

How it helps?

- Entertain and encourage you!
- Relief your stress!
- Give you that small laugh you never knew you needed!

An example...

Don't be disheartened during CB; you're not alone!

2. Y1 ORIENTATION

Idea

Assign one SF to one group of students in the class!

Orientation is when Y1s can forge life long friendships!

How it helps?

- Make Y1s more comfortable to speak up!
- Allow SFs to interact closely with every one in class!

The groups can change every day so the Y1s have a chance to interact with everyone in class!
