Hello! I'm Alicia from 5C32. :) I'm from culinary club & guitar ensemble! I'm generally a very chill and humorous person. During my free time, I like to play PC games, my personal favourites being LoL & Danganronpa!

Throughout my years in DHS, I've come to appreciate and love the school. I want to use this opportunity to serve and give back to the school before I graduate. With my enthusiasm as well as dedication, I hope to improve and make your daily school life enjoyable and enriching! Running for Student Council is also a way for me to seek self-development and growth.

Please do give me a chance! See you around ;)
