## TARGETED AREA

\_D.HYPE

Instagram page featuring Dunman High exclusive events and a social media platform to connect dunmanians with the school.

## SUGGESTION

To promote joy and to connect the student body and the school, I suggest for D.HYPE to open up a Youtube channel.

### EVENTS OR SERIES POSTS DO NOT JUST HAVE TO BE SUBJECTED TO INSTAGRAM POSTS AND PICTURES

1. Great source of entertainment
2. Establishment of Dunmanian identity online, wider source of publicity for DHS
3. Can promote individuality through video tutorials
4. Platform where common experience can connect and bond people
