

vending machines

- increase the variety of packet drinks available :
milo, soymilk, milk tea, green tea, bandung, fruit juices, milk
- have food vending machines: ready-made foods like pizza or mac & cheese, as well as snacks such as pocki, super rings and chips

- availability of packet drinks is more viable as the amount is not too much in comparison to bottled drinks
- allows for a wider variety of food to choose from, effectively reducing queue times

study kit

dust pan

wet wipes

scrub

coasters

- dustpan: cleans up eraser dust
- wet wipes + scrub : clean up dirt and stains, like bird poo
- coasters: prevents the table from getting wet from drinks, which also prevents you paper from getting wet and stained!
- placed in common study areas

- allows for a cleaner and more conducive learning space
- promotes social responsibility for students to clean up
- alleviate cleaner's work load!
