### REASON FOR RUNNING FOR SC

I want to help more people. Since I joined DHS there were many people who have been really nice to me. These people make me feel inspired to actually step up and run for SC. They care about the school and so do I. Last year, I was Vice-Chairperson of 2B. I guess it was all meant 2B! Thus, this year I want to challenge my limits and reach out to more dunmanians by running for SC. Moreover, running for SC allows me to make new friends! Everyone is unique so I think with new connections, there would be more special insights. More friends = More joy!
