

DH16 Lam Xu En Idea Board

1 Y3 Orientation

- a 2-day orientation
- games and activities for bonding(e.g 撕名牌, ice breaker games, captains ball, etc.)
- class outing(on the 2nd day of orientation) planned by the class
- academic briefings, etc.

Why?

- currently, the Y3s only have a 2h induction and a short briefing at the start of the year
- gives them more time to get used to their new class
- get to know their classmates better
- builds stronger class identity
- planning the class outing forces them to work together and breaks the ice
- briefings and talks prepare the Y3s for the coming year

2 Dunman Night

(Dunman Day 2020)

- Rave party in the evening of the last day of the school year
- students can dress up for it
- attractive prizes to be won for the best dressed Dunmanians!
- food, performances, music
- movie screening corner
- dance battle

Why?

- an event for Dunmanians to chill and party with their friends; end the school year on a high note
- caters to both students who would like to chill and those who would like to party
