

Want to engage in sports with other people but can't seem to find the right people to do so?

Now you can through a schoolwide Whatsapp group of like minded individuals based on the sport !

Through this group, you can:

- Initiate and organise sessions for a sport (Football, Basketball, Volleyball etc.)
- Request and Join these games as a participant
- Interact and Meet new people of similar interests

Rationale:

- Makes it convenient to organise sessions with other students
- Encourages inter- level bonding amongst the student population through sports
- Promotes a healthy lifestyle for students
- In general improve the quality of school life in Dunman High !
