Wanted your teachers to hear you
but don't know how?
Here's a way

One note to brighten up their day

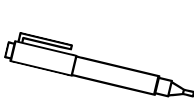

TEACHER APPRECIATION BOARD

*many
thanks*

A small booth to be set up for students to write short notes for their teachers. Post-its, pens, and thumbtacks will be provided.

Pin your notes on the designated board along the walkway to the canteen, let them know how grateful we are towards them!!!

Teachers have brightened up our lives,
its our turn to brighten theirs up!!
