

DH42 : Ear Hong Wee

DUNMAN DAY 2.0

A special day for all
dunmanians

1. Blast from the past

Traditional games from our childhood such as hopscotch will be set up around the school so that students can experience their childhood all over again.

Old school arcade machines such as pinball machines, Pac-man and all the classics would be available to all students too!

2. Carnival extravaganza

Our field would be converted into a mini carnival where there are games such as ring toss, dart boards, mechanical bulls, etc. Not to forget the best part of every carnival! the fantastic food such as corndogs, cotton candy and much more.
