SPORTS FOR RECESS

Be able to play sports during recess

HOW WILL IT WORK?

A box of sport equipment can be placed outside the school hall, soccer field or basketball court with sporting equipment like racket and shuttlecocks, making sports more accessible to students in school.

BOARD OF LOVE

Give thanks to cleaners/migrant workers in the school by treating them a meal

HOW WILL IT WORK?

A magnetic board with magnets to be placed near the spiral staircase. To give the cleaner aunties/uncles or the migrant workers a treat, simply take 2 magnets from the board, write the stall of your choice on both magnets, give one to the stall owner and pay for the food of your choice and give the other magnet to the cleaner/worker of your choice!
