Jumble Sale?

During Dunman Week / Friendship Day (any of the important events), let's UPGRADE it into a Jumble Sale. Dunmanians create simple games to engage their audience.

During the sale, you can play games, buy items (for cheaper), eat carnival-themed foods (eg. popcorn) and more!
YUMMM

A day to spend more time with your friends!

Sports whenever you want?

Many of us are interested in playing certain sports before or after school hours, just that we do not have the equipment to do so.

This initiative makes borrowing (and of course returning!) of sports equipment possible!

Measures will be implemented to ensure that borrowers take good care of the equipment and be responsible for any damages.
