hi! i'm jasper from 5c41 ☺ and i think some of you might have an impression of me being a super noisy and out-of-control kinda guy HAHAHA but i would say that's because i'm pretty energetic and tend to go all in and show a lot of hype for what i set my mind on doing!

what i'm passionate about is making a positive impact on other people's experiences and putting a smile on others faces -- and that's why i want to run for SC, so that i'll have the chance to improve your day-to-day school life as well as making school events even **MORE** enjoyable!

i may not be perfect, but i don't think anyone can be perfect all the time. what i do have to offer is my genuine sincerity and lots of passion to serve -- so vote for me and let me serve you to the best of my ability!
