

IDEA BOARD DH60

IDEA #1: SH ORIENTATION/OPEN HOUSE

- As a JAE student, I noticed that there are potential areas for improvement in the information flow for new DHS students

- Instead of heavily relying on word of mouth, perhaps a social media account could be set up for a Q&A between JAE seniors and juniors

IDEA #2: CANTEEN PREORDER SYSTEM

- students can potentially preorder food from canteen stalls; paying beforehand to receive a token which they can use to collect their food later on during their recess period

- will help reduce queue times!
