Hello everyone I am Xu En from 3L! My interests are art and music and I love to journal, jam to music and cook(not forgetting the eating part after cooking). I also love bubble tea and dark chocolates a lot!! :DD

## Why SC?

I have always been on the receiving end of things and joining SC allows me to be on the **giving end to make contributions** to the school. SC also allows me to make **personal growth** by gaining leadership experience and developing my hard and soft skills. Most importantly, I really enjoy doing the things that SC does. "**Do what you love and love what you do**", this quote sums up why I am running for SC — I want to be able to do what I love and if I get into SC, I will definitely continue to love what I am doing! :-D

## Why vote for DH16?

I am **passionate** to learn new things and pick up new skills and I really **love working with people**. I also do things to the best of my abilities and I have a **clear end goal** in mind, that is why I think I am suitable for SC. Here's a fun fact — The number **16** in **DH16** is actually a symbol of **growth** and **determination**, which are qualities that I possess. No matter how hard the journey is, I am determined to pull through and grow from the process.

let **DH16 LAM(p) XU EN** be your genie lamp and show you the world.
