Hey guys! I'm Jia En from 3I!
Although I may be tiny but I am positive and will not easily give up!
I am committed and I believe that I can contribute to the school and make school life more enjoyable and fun to you!
In your darkest times, I hope that I can be your light! ☺

Why SC?

- 1. Love planning projects and executing them**, especially when this is going to benefit my friends and the school! ☺
- 2. The people!** I made many new friends in this journey and I got to know really nice seniors too! The atmosphere is really nice! ☺
- 3. I am really thankful** to everybody who have made these 2 years fulfilling so I hope that I can do my part to contribute to the school! :D
- 4. To hone my leadership skills** so as to better care, serve and lead.

How Can I contribute?

I aspire the council to be an organisation which consists of leaders who can **inspire Dunmanians** and **cater to their needs!** I can contribute by:

- 1. Listening to feedbacks** from people around me about SC initiatives/ how the council can better engage them and try my best to improve on the current initiatives.
- 2. Giving suggestions** to propose new initiatives to cater to Dunmanians' needs.
